Certificate No: 60 417 - 13 HH

Date of Issue: 2013-05-31

Schedule of Approval

Approval Documentation

Evaluation and test report from The National Supervision and Testing Center of Fishery Machinery and Instrument, China No. 2012YW126 and 2012YW127 dated 2013-01-28,
Technical file approved with 13-019522
Audit report for Module D by GL dated 2013-05-27

Remarks

None

Limitations on the acceptance or use of the product

Max. storage height above water line: 80m

Notes:

This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform Germanischer Lloyd, as the Notified Body, of any modifications or changes to the approved equipment.

Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body.
