1150022 and 1150023
Lloyd's Register CERTIFICATE OF TYPE APPROVAL No. SAS S110015, SAS S110016, SAS S110017 and
SAS S110018.
Submitted documents in RDIMS#6485359, 6485633, 6485638 and on the paper file 8710-11-16

Instructions and Markings

All required marking shall be specified in English and French.

Conditions of Approval

1. The lights are to be constructed in accordance with manufacturer's drawings listed above and no departure from these drawings shall be made without prior notification to Transport Canada Marine Safety.
2. The manufacturer is responsible that every light built to this Certificate of Approval corresponds to the approved prototype.
3. Production line unit approval is conditional upon compliance with MSC.81(70).
4. The light has to prove satisfactory in service.
5. Replacement of the batteries is not allowed and their removal should not be possible without destroying the container. The light unit must be replaced on or before the expiry date marked on its label.
6. Each light to be supplied with instructions in both English and French in a form suitable for attachment to the lifejacket donning instruction sheet and suitable for inclusion in the ship's on board Training Manual.

End of Certificate
