CERTIFICATE OF CONFORMANCE, QUALITY & ORIGIN

NUMBER: 006626

To: EUROSUL FORNECEDORA DE NAVIOS LTDA

Each product is denoted with a product type/s. The statements below apply to the relevant product.

Part Number	Description	Country of Origin	Prod Type *
SOLOA10	4.6 oz smoke detector tester	GB	A

*Electrical = E, Mechanical = M, Aerosol = A

Aerosol Statement - This certifies that the goods listed as type A conform to the aerosol quality manufacturing specification of No Climb Products Limited and that the materials used are to the required standard.

Every Aerosol has been subject to weight checking and pressure checking. All manufacture and aerosol filling is also carried out as recommended by the British Aerosol Manufacturers Association.

Mechanical Statement - This certifies that the goods listed as type M confirm to the Company Quality manufacturing specification of No Climb Products Limited, which is registered by third party as meeting the fundamental requirements of ISO 9001 and that the materials used are to the required standard of conformity.

This certificate is issued on the basis that this customer has already purchased the above mentioned product within the last 12 months from the date of this certificate, to which the above specifications apply. Any purchase made prior to this period may not conform to the above specifications. We reserve the right to amend or adjust our specification as part of our ongoing future improvement process.
